

OBJECTIVE

To work in a place where creativity and teamwork are really valued. I'd love to be part of a team where open communication is the norm and where I can get constructive feedback to help me grow. I'm excited about opportunities to keep learning and developing my skills. Overall, I'm looking for a supportive environment where we can all work together towards great results.

Adrian Salguet

WEB DEVELOPER

I am an experienced Web Developer dedicated to crafting engaging and user-friendly websites that not only meet but exceed client expectations. I bring a deep understanding of HTML, CSS, JavaScript, and PHP to every project. My passion lies in delivering high-quality, innovative web solutions that resonate with users and drive results.

EXPERIENCE

WEB DEVELOPER | TECHNODREAM WEB DESIGN

March 2023 – September 2024

- Provided front-end website development using WordPress.
- Coded websites using HTML, CSS, JavaScript, and Php languages.
- Oversaw technical issues and troubleshooting requests to resolve user problems.
- Conceived and built optimized landing pages in HTML and CSS for integration and cross-browser compatibility.
- Completed full redesigns of existing websites to improve navigation, enhance visuals and strengthen search engine rankings.
- Optimized web applications for speed, scalability and security.
